Student comments:

- Great professor. Very stimulating and thought provoking.
- Great professor! Great person! Not a stressful class and learned a ton. Very interesting overall.
- Great course and learned so much; great real world exercises and events.
- Professor Henne-Ochoa was an excellent professor. He was my best professor at Bucknell. He was approachable, encouraged us to think deeply, and was very passionate about the subject.
- This class let me learn as much from other students in class as it did the material through facilitated discussions. Professor Henne-Ochoa actually acts in the way he teaches and is extremely accommodating in giving students opportunities to learn in our own style and accommodates assignments with our other classes.
- This is the course I looked forward to coming to every day. It really allowed me to think deeply and positively.
- Great class learned a lot. Gained a lot of perspective pushed me to think deeply.
- Professor Henne-Ochoa is the kindest most passionate professor I have had at Bucknell thus far. 😊
- I really enjoyed this class and the classroom discussions.
- This course and professor were both incredible. I was constantly engaged in the class. Wish I could take it again.
- Professor Henne-Ochoa is not only a good teacher but an excellent, kind, and understanding person. Through a holistic approach to the student, he is able to lower stress and increase learning.
- Sometimes the text discussions led by the students were not as effective as they could be. Sharing provocative ideas would be a good idea.
- Professor Henne-Ochoa was an excellent professor and I would recommend. He asked engaging questions and encouraged class participation.
- I really enjoyed this course and learned a lot about myself through this course. Sometimes the homework was watching 3 one hour movies which was a little long so maybe just focus on one.
- Really good class, especially important for Bucknell students to learn about social inequality. Professor was extremely supportive and understanding.
- Thank you so much for such a transformative semester. I really appreciate all you have done.
- Professor Henne-Ochoa is one of the best educations I have ever taken a course with. His ability to stimulate class discussion made every class fun and I can honestly say that I was excited to get to class every day.
- I really enjoyed Professor Henne-Ochoa course because he really opened my eyes to ideas that I haven't fully thought through before. He made me question my beliefs and challenged me to rethink what I grew up learning. I highly recommend him to any student interested in expanding their perspectives.
